Claim a **FREE 30oz YETI® Rambler Tumbler** with purchase of a CURT TruTrack™ WD system (17499, 17500, 17501) between 04/01/19 and 05/31/19. See rebate form at [curtrewards.com](http://curtrewards.com) for full offer details.

## True integrated sway control

The TruTrack™ spring & cam system and fixed support brackets offer true four-position sway control and weight distribution, eliminating the need for separate sway control unit.

## Long-lasting construction

The hardened spring & cam components and cast head are less subject to wear than competitor models.
