2006 Dodge Wrap 1/2" ton.

Part #: 1217

8 - 1/2 x 2 Bolts
8 - 1/2 Nut
8 - 1/2 Lock Washer
16 - 1/2 Flat Washer

STEP 1: Remove inside factory nuts between the frame as shown: place the short side to the top

STEP 2: Place zee brackets to the grill guard tap place grill guard to the front end of your truck and bolt zee bracket to the top of the inside bracket.

STEP 3: Place bottom bracket on the side of the upright, so you be able to mark and to cut a hole on the plastic guard, then bolt to grill guard and the bottom inside brackets.

STEP 4: Check alignment on the grill guard and tighten bolts.

STEP 5: You may need to periodically re-tighten bolts.
